SCHOOL OF MANAGEMENT**

JSOM Virtual Learning Launchpad

Course Homepage

Introduction

Welcome to the JSOM Virtual Learning Launchpad! The information you will learn in the module will guide you on your academic journey within JSOM. More specifically, you will learn what is expected of you while in the online learning environment.

You are **required** to successfully complete the module below in order to obtain the certificate. **You must earn a 100 on the mandatory quiz section.** Once the certificate is earned, you must save and upload it to the assignment located in your JSOM online, synchronous remote, or hybrid course (sections ending in 0W#, 5W#, 0H#, 5H#, SW#, SH#, FW# or FH#) in order to access the materials inside of your online course. This **DOES NOT** include any face-to-face courses or non-JSOM online, synchronous remote, or hybrid courses.

Important Note: You will not be able to submit the certificate until your course has opened, which is typically the first day of the semester. Please see the [Academic Calendar](#) for the exact date. If you experience any technical issues with the module, [email the JSOM Online Team](#).

Please see the video for instructions on how to complete this module and submit the certificate to your online course.

[Student JSOM Virtual Learning Launchpad Instructions](#)

Here is the PDF Version of the Instructions: [Student Instructions - JSOM Virtual Learning Launchpad.pdf](#)

JSOM Virtual Learning Launchpad 2025-2026

- **You must earn a 100 on the mandatory quiz section.**

- Use the **latest version** of Chrome or Firefox. They are the recommended browsers when accessing this module. [See Rise 360 Browser Support](#).
- Additionally, you will either need to allow pop-ups or turn off your pop-up blocker.
- If you have issues with the Launchpad (note that it saves your progress), please make sure your browser is up-to-date, you are using a supported browser, clear cache and cookies, and JavaScript is enabled. If that does not work, please close your browser and reopen it (progress is saved so you will not have to start over). If that does not work, switch to another supported browser. If all of the above does not fix the issue, please [email the JSOM Online Team](#)
- After you complete this module, instructions for taking a screenshot or printing the certificate and some helpful links will appear below.
- **IMPORTANT NOTE Before you Start:** You MUST click the **EXIT COURSE** button at the **end** of the module under the section titled **End of Mandatory Section** so that Blackboard will record your grade. See image below.

☐

I acknowledge that I have completed the module. By checking this box, I understand I should contact my professor if I have any questions or concerns.

You must acknowledge the statement by checking the box above before moving on.

Thank you for completing this module!

Good luck, Comets!

You have reached the end of the module. Please click on the button to exit the course and record your grade.

EXIT COURSE

Instructions for Completion

Congratulations! You completed the JSOM Virtual Learning Launchpad module. To complete the requirement in your online courses, you must save your certificate.

Option 1: Recommended! Use any screenshot program and capture an image of the certificate. Save it, and submit it to the assignment located into your online course (0W#, 5W#, 0H#, 5H#, SW#, SH#, FW# or FH#) or courses - **see Important Note #1 & 2.**

Option 2: First, click on the "Print this certificate" button on the Certificate located below these instructions. Next, in the pop-up screen, select the Destination as Adobe PDF. In the lower right, select save. Save the certificate into a place of your choice. After the certificate is saved, submit it to the assignment located into your online course (0W#, 5W#, 0H#, 5H#, SW#, SH#, FW# or FH#) or courses - **see Important Note #1 & 2.**

Important Note #1: You will not be able to submit the certificate until your course has opened, which is typically the first day of the semester. Please see the [Academic Calendar](#) for the exact date.

Important Note #2: If you do not see the assignment in your (0W#, 5W#, 0H#, 5H#, SW#, SH#, FW# or FH#) course, you will need to email your professor to setup the assignment so you can submit the certificate.

Important Note #3: If you lose your certificate, you can come back to this course and take another screenshot of the certificate. You do not need to take the module again.

Important Note #4: This certificate is valid until **July 1, 2026**. If you took this module in fall, it will be valid in spring and summer. Please make sure you save your certificate. You will need it if you plan on taking online courses in the near future.
